Conference Facilities at Bartholomeus Klip Farmhouse

Picture yourself sipping a cocktail from a deck overlooking a tranquil dam, where geese are your discreet visitors and trout swim freely in the cool waters.

Then step into the Deckhouse for your brainstorming session. With doors flung wide open you will be able to savour the scents of the nearby forest and hear the gentle noises of the farm animals in the background, as you get down to business.

Finally, imagine sipping a cool, well-deserved drink while you wind down in the open boma adjacent to the conference room, accompanied by the sound of water lapping softly at your feet.

Welcome to Bartholomeus Klip, where life is gentle and timeless. Not only do we provide the ultimate venue, but being members of the Good Cooks Association, we fortify your body, mind and soul with glorious food that will tantalise your taste buds and prepare your brain for the business at hand. Bartholomeus Klip is the perfect environment where you can be at your creative best.

Bartholomeus Klip Farmhouse is a luxurious boutique hotel situated on a private nature reserve at the foot of the Elandskloof Mountains, just over an hour's drive from Cape Town. Our facilities allow small groups of up to 16 people to participate in conferences and other focused corporate functions, such as team building and sales and strategic planning seminars.

Conference events are held at the Deckhouse, a building separate from the farmhouse on the edge of the extensive farm dam, affording complete privacy to the delegates. The Deckhouse includes an air-conditioned conference room and an upstairs breakaway room with majestic views over the spreading sheet of water towards the mountain backdrop.

All the normal conference aids such as projectors, whiteboards and flipcharts are already in place and additional extras such as notepads, pens, bottled water and mints can be arranged. Gourmet brunch and lunch are provided in the main farmhouse, and tea, coffee, juices and pastries are served at the afternoon break.

The Bartholomeus Klip conference package is based on small numbers and designed to give groups exclusive use of the facilities, allowing them to tailor-make their conference, sales incentive, corporate getaway or product launch. Accommodation allows for 17 sharing or 9 singles.

Other activities at Bartholomeus Klip include:

- Picnic baskets to enjoy while exploring the farm
- Mountain bikes
- Water activities
- Game drives in the Nature Reserve
- Plentiful bird life for avid bird watchers
- Wine and olive farms nearby
- Quad bikes on the adjacent farm

The tranquil setting of the Deckhouse allows delegates to truly free themselves from the stress and noise of the city and focus on the task at hand. This fabulous location will encourage great ideas!

Two types of conference packages are available:

- The Day Package in which the Deckhouse is available for the day, and includes brunch, lunch and an afternoon coffee break, and
- The Overnight Package, which is an extension of the Day Package in which the delegates stay overnight. This package includes a 4-course dinner, game drive, luxury accommodation and brunch the next day.

Rates (effective until 31 August 2009)

Day Package: R500-00 per delegate

Overnight Package: R1400-00 (single) or R1050-00 (sharing) per delegate
