

LUXURY ACCOMMODATION & RESTAURANT AT *Bartholomeus Klip*

There is an understated elegance, natural rhythm and abundant vitality in the life of an African farm. Experience its unfiltered authenticity and hospitality at one of our **three luxurious farmhouses** at a historic Cape farm near Riebeeck Kasteel, just over one hour's drive from Cape Town.

Chef Louise Gillett loves to shake, sear and stir fresh farm produce and regional Swartland delicacies with the classic cooking techniques she keeps up her sleeve. Her farm-meets-fusion-style cooking is a permanent challenge to excite the palate and senses, and to match a carefully chosen regional wine selection at our **Farmhouse Restaurant**.
