

# Bartholomeus Klip

LUXURY ACCOMMODATION | RESTAURANT | EVENTS | VENUE

There is an understated elegance, natural rhythm and abundant vitality in the life of an African Cape farm. Experience its unfiltered authenticity and hospitality at one of Bartholomeus Klip's **three luxurious farmhouses** near Riebeeck Kasteel, just one hour's drive from Cape Town.

At the heart of our business is our commitment to our heritage and to the environment - as custodians of a historic Cape farm and a 4000ha private nature reserve. We are famous for our food, too - chef Louise Gillett loves to shake, sear and stir fresh farm produce and regional Swartland delicacies with the classic cooking techniques she keeps up her sleeve at the **Conservatory Restaurant**.
