UNIQUE & EXCLUSIVE GROUP INCENTIVE EXPERIENCES

Often described as a world within a country, South Africa offers unique and memorable corporate travel experiences, excellent value for money, and the highest hospitality standards. What better destination than a historic Cape farm located at a private nature reserve near Cape Town, that offers all this in one exclusive package?

For more than twenty years, our dedicated team has turned group incentive visits into truly one-of-a-kind, rewarding and bonding experiences.

Individually
designed.
Bespoke
& exclusive.
